So , I know DS was mean to you but if you still want to be a part of a section of the community, BASEDMedia is really nice. We don't allow any mean people here (Including Chester :p) . Everyone is very chill and just wants to help.

We would LOVE to have you , if you want to come :)

BASEDMedia Discord Invite / Election Voter Fraud Group

Hello Patriot !

Would like to invite you to the BASEDMedia group, we're trying to organize people to get information out to the general public.

Check out some of our work: DonaldWon.Com , DonaldsArmy.US

We Have The Data - We Have The Videos - We Have The Evidence

We need help from people like YOU to put it together & get it out to the general public !

We also want to connect people for a grassroots campaign to get this information out to everyday people who are under the "Iron Curtain" of MSM & Big Tech.

Join us here:

<https://discord.gg/wJwcPbuM>

Discord is also available as a program for PC/MAC (and works even better) as well as phone app.

We are fighting in the court of public opinion for GEOTUS !

Welcome to the front lines of the 2nd Great Meme War !
